MEMORANDUM

TO: Mr. Robert Amory
Central Intelligence Agency
222 Administration Building

SUBJECT: Handbook of OCB

While one of these handbooks may have reached you through regular channels our channels sometimes get so devious that material of this type is lost enroute. This handbook was prepared to show what the Board does and how they do it. I hope that you will have time to glance at it. We would be glad to supply additional copies if you wish to distribute any within your staff.
